to Establish Route N.)

Application No. 292

By Order No. 417, W M A Transit Company was granted ninety (90) day temporary authority to establish Route N as described in Application No. 292 and Order No. 417. The authority became effective December 14, 1964, and ends March 13, 1965.

The Company has requested that an extension of temporary authority be granted for a period of ninety (90) days beginning March 14, 1965, contending that sufficient time has not elapsed to make an effective determination of the potential of Route N.

The Commission is of the opinion that an extension of temporary authority is justified so the Company might better evaluate the operation and determine its merits.
