

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 9170

IN THE MATTER OF:

Served December 7, 2005

Application of BESY'S)	Case No. AP-2004-170
TRANSPORTATION, INC, for a)	
Certificate of Authority --)	
Irregular Route Operations)	

This matter is before the Commission on applicant's request for reconsideration of the voiding of authority conditionally granted to applicant in Commission Order No. 8575, served March 7, 2005.

Commission Regulation No. 66 provides that: "The time for compliance with the requirements for a conditional grant of authority will not be extended beyond a maximum of 180 days from the date the conditional grant of authority is issued. Such conditional grant of authority shall be considered void effective on the 181st day." As of September 6, 2005, applicant had not fully complied with the condition in Order No. 8575 that applicant file certain documents. Accordingly, the conditional grant became void on September 7, 2005.

Under Article XIII, Section 4(a), a party to a proceeding affected by a final order or decision of the Commission may file within 30 days of its publication a written application requesting Commission reconsideration of the matter involved, and stating specifically the errors claimed as grounds for the reconsideration. Although publication of a final decision is normally accomplished by issuing an order, the voiding of a conditional grant occurs automatically by application of Regulation No. 66. There is no tangible utterance other than the rule itself. Deeming publication to occur on the 181st day, when an applicant knows or should know that the Commission now considers the conditional grant void, is reasonable under the circumstances.¹

Respondent timely filed an application for reconsideration on September 15, 2005, but the application does not allege any error on the part of the Commission. The application therefore is denied.

However, considering that applicant has fully satisfied the condition of issuance prescribed in Order No. 8575, we will reopen this
