

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 9660

IN THE MATTER OF:

Served June 16, 2006

Application of A & M TRANS, INC., to) Case No. AP-2005-210
Acquire Certificate No. 910 from)
EIMAN BADERELDIN YOUSSEIF, Trading)
as AIMN TRANS)

By application accepted for filing December 21, 2005, A & M Trans, Inc., a Virginia corporation, seeks Commission approval to acquire Certificate No. 910 from Eiman Badereldin Youssif, trading as Aimn Trans. Youssif has agreed to transfer Certificate No. 910 and other assets in exchange for a controlling interest in applicant, a new carrier. The application is unopposed.

Under Article XI, Section 11(a), of the Compact, a person may not transfer a certificate of authority unless the Commission approves the transfer as consistent with the public interest. The public interest analysis focuses on the acquiring party's fitness.¹

Applicant proposes commencing operations with one van. Applicant's proposed tariff contains rates for transportation under the District of Columbia Medicaid program.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds applicant to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements and, therefore, that the transfer of Certificate No. 910 to applicant is consistent with the public interest.

The record indicates that applicant plans to operate out of the same address as A & S Trans, Inc., which has applied for a WMATC certificate of authority in Case No. AP-2005-209. Each carrier is admonished to keep its assets, books, finances and operations

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
