Application of FELICIA E. MEDLOCK) for a Certificate of Authority --) Irregular Route Operations)	Case No. AP-2005-203

Certificate of Authority No. 1218 was conditionally granted to Felicia E. Medlock, on May 12, 2006, in Order No. 9558. The certificate has not been issued yet, but applicant has filed an application to add the trade name "Felicia E. Medlocks Transportation" to the certificate. The application is supported by proof of registration of the new trade name with the District of Columbia Department of Consumer and Regulatory Affairs.

By application filed August 23, 2006, applicant also seeks to add a seating capacity restriction to Certificate of Authority No. 1218. The restriction would confine applicant's operations to vehicles with a seating capacity of less than 16 persons, including the driver, thereby reducing from \$5 million to \$1.5 million applicant's minimum insurance obligation under Commission Regulation No. 58. Applicant's list of revenue vehicles shows that applicant does not possess or operate any vehicles seating more than 15 persons, including the driver.

Under Title II of the Compact, Article XI, Section 10(b), the Commission may amend a certificate of authority upon application by the holder. The applications shall be conditionally granted.

THEREFORE, IT IS ORDERED: That upon applicant's timely compliance with the requirements of Order No. 9558, Certificate of Authority No. 1218 shall be issued, as amended consistent with this order, to Felicia E. Medlock, trading as Felicia E. Medlocks Transportation, 5370 Chillum Place, N.E., Washington, DC 20011.
