WASHINGTON, DC

ORDER NO. 10,001

IN THE MATTER OF:

Application of CLAUDE JEAN, Trading)
as JEAN TRANSPORTATION SERVICE, for)
a Certificate of Authority --)
Irregular Route Operations)

Case No. AP-2006-185

By application accepted for filing October 6, 2006, Claude Jean, a sole proprietor trading as Jean Transportation Service, seeks a certificate of authority for irregular route operations between points in the Metropolitan District.

Applicant failed to specify in its application whether he wishes to obtain a restricted or unrestricted certificate of authority. Restricted authority only permits a carrier to operate vehicles seating fifteen persons or less, including the driver. Unrestricted authority carries no seating capacity restrictions. Under Commission Regulation No. 58, a carrier possessing restricted authority must obtain \$1.5 million in motor vehicle liability insurance. A carrier possessing unrestricted authority must obtain \$5 million in motor vehicle liability insurance. Applicant shall be directed to file a statement specifying which type of authority he wishes to obtain.

Applicant proposes commencing operations with one sedan. Applicant proposes operating under a tariff containing charter rates, mileage and/or hourly rates, individual and/or group sightseeing rates, and rates for transportation under contracts with private entities.

Because applicant has federal or state passenger carrier authority, applicant will be directed to furnish information about its other authority.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:

1. That applicant shall publish once in a newspaper of general circulation in the Metropolitan District, no later than November 8, 2006, notice in the form prescribed by the staff of the Commission.

2. That applicant shall file with the Commission, no later than November 22, 2006, an affidavit that notice has been published as required in the preceding paragraph.

3. That applicant shall file with the Commission, no later than November 22, 2006, a statement specifying whether he wishes to obtain a restricted or unrestricted certificate of authority.

4. That applicant shall file with the Commission, no later than November 22, 2006, a copy of each motor carrier license, certificate or registration that applicant currently holds.

5. That the deadline for filing protests, comments, applications for intervention, and requests for formal hearing is November 22, 2006, and that copies must be served on applicant at 4006 Cottage Terrace, Cottage City, MD 20722.
