MILLS, Trading as FOOTSTEPS)

Case No. AP-2006-235

By application accepted for filing December 19, 2006, applicant, Footsteps L.L.C., a District of Columbia entity trading as Footsteps, seeks Commission approval to acquire Certificate No. 1162 from Rodney Mills, trading as Footsteps. Mills has agreed to transfer Certificate No. 1162 and other assets in exchange for a controlling interest in Footsteps L.L.C., a new carrier. The application is unopposed.

Under Article XI, Section 11(a), of the Compact, a person may not transfer a certificate of authority unless the Commission approves the transfer as consistent with the public interest. The public interest analysis focuses on the acquiring party's fitness.¹

Applicant proposes commencing operations with one van. Applicant proposes operating under a tariff containing rates for Medicaid transportation and rates for transportation under contracts with private entities.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds applicant to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements and, therefore, that the transfer of Certificate No. 1162 to applicant is consistent with the public interest.
