

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION  
WASHINGTON, DC

ORDER NO. 11,464

IN THE MATTER OF:

MED-TRANS-INC., Suspension and  
Investigation of Revocation of  
Certificate No. 876

Served July 7, 2008

Case No. MP-2008-173

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 876 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum. Under Regulation No. 67-03(c), \$50 is due and payable upon the failure of a carrier to timely file an acceptable WMATC Insurance Endorsement.

The \$1.5 million primary WMATC Insurance Endorsement on file for respondent expired on July 7, 2008. Respondent filed a \$1.5 million primary replacement endorsement on July 7, 2008, but the effective date is July 15, 2008, not July 7, 2008. Certificate No. 876, therefore, is automatically suspended under Regulation No. 58-12 and may be revoked if respondent fails to pay the \$50 late fee within thirty days.

In addition, under Regulation No. 58-14:

If a carrier's operating authority is suspended under Regulation No. 58-12 and the effective date of a later-filed replacement Endorsement falls after the automatic suspension date, the carrier must verify timely cessation of operations in accordance with Commission Rule No. 28 and corroborate the verification with client statements and/or copies of pertinent business records, as directed by Commission order.

Respondent shall have thirty days to verify that it ceased operations as of July 7, 2008. Inasmuch as respondent's only tariff is for service rendered pursuant to contract with Medical Transportation Management, Inc. (MTM) such proof shall include confirmation from MTM.<sup>1</sup>
