ORDER NO. 11,573

IN THE MATTER OF: Served September 12, 2008

ADDIS TRANSPORTATION, INC.,)
Suspension and Investigation of) Case No. MP-2007-164
Revocation of Certificate No. 1314)

Application of ADDIS TRANSPORTATION,) Case No. AP-2007-232
INC., for Voluntary Termination of)
Certificate No. 1314)

This matter is before the Commission on respondent's application for reconsideration of the revocation of Certificate No. 1314.

Certificate No. 1314 was revoked in Order No. 11,519, served August 7, 2008, pursuant to Article XI, Section 10(c), of the Compact for respondent's willful failure to maintain an effective tariff on file with the Commission as required by Article XI, Section 14, of the Compact, and because respondent's only vehicles had failed an inspection by Commission staff. Respondent subsequently filed an effective tariff, and respondent's vehicles subsequently passed inspection.

Under Title II of the Compact, Article XIII, Section 4(a), an application for reconsideration of a Commission order must be filed within thirty days of its publication and state specifically the errors claimed as grounds for reconsideration. Respondent timely filed the application for reconsideration as of September 5, 2008, but the application does not allege any error on the part of the Commission. The application therefore is denied.

However, considering that respondent has filed an effective tariff and respondent's vehicles have passed inspection, we will reopen this proceeding on our own initiative and reinstate Certificate of Authority No. 1314.¹

IT IS SO ORDERED.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS YATES AND CHRISTIE:

William S. Morrow, Jr.
Executive Director
