This matter is before the Commission on applicant's request for an extension of time to comply with Commission Order No. 11,694, served November 19, 2008. Order No. 11,694 conditionally granted Certificate of Authority No. 1327 and stipulated that applicant would have the full 180 days available under Commission Regulation No. 66, or until May 18, 2009, to satisfy the conditions of the grant. On May 12, 2009, applicant requested an extension of the compliance deadline. Applicant subsequently satisfied the conditions of Order No. 11,694 as of June 18, 2009.

Regulation No. 66 provides that: "The time for complying with the conditions of a grant of authority shall not be extended beyond 180 days from the date of the grant. A conditional grant of authority shall be void on the 181st day following the date of the grant if full compliance has not been achieved at that time." The Commission has approved the issuance of a certificate of authority in the past where, as here: (1) applicant requested an extension of time within the aforementioned 180 days; and (2) satisfied the conditions of the grant within thirty days beginning on the aforementioned 181st day.² For good cause shown, Regulation No. 66 shall be waived.
