Case No. MP-2009-104

Order No. 12,155, served September 18, 2009, prescribed new rates and charges for interstate taxicab trips between points in the Metropolitan District in Washington Flyer taxicabs.

The order stipulated that the additional passenger charge would remain at \$1.50, that the current exemption for children under the age of six would be retained, and that the new rates and charges would take effect October 3, 2009.

A "summary" of changes early in the order, however, erroneously stated that the new rates and charges would take effect October 1, 2009, and Appendix B to the order erroneously omitted the additional passenger charge exemption for children under the age of six.

This order is being issued to implement the necessary technical corrections to conform Appendix B to the terms of Order No. 12,155.

THEREFORE, IT IS ORDERED: That Appendix B to Order No. 12,155, prescribing interstate taxicab rates and charges for Washington Flyer taxicab service within the Washington Metropolitan Area Transit District is hereby corrected as attached consistent with the terms of Order No. 12,155, effective October 3, 2009, at 12:01 a.m.
