

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

SILVER SPRING, MARYLAND

ORDER NO. 12,205

IN THE MATTER OF:

Served October 22, 2009

DYNASTY UNLIMITED, INC., Suspension)
and Investigation of Revocation of)
Certificate No. 1371)

Case No. MP-2009-131

This matter is before the Commission on respondent's response to Order No. 12,181, served October 5, 2009.

I. BACKGROUND

Under the Compact, a WMATC carrier may not engage in transportation subject to the Compact if the carrier's certificate of authority is not "in force."¹ A certificate of authority is not valid unless the holder is in compliance with the Commission's insurance requirements.²

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 1371 for a minimum of \$5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

Certificate No. 1371 was rendered invalid on October 4, 2009, when the \$5 million primary WMATC Insurance Endorsement on file for respondent terminated without replacement. Order No. 12,181 noted the automatic suspension of Certificate No. 1371 pursuant to Regulation No. 58-12, directed respondent to cease transporting passengers for hire under Certificate No. 1371, and gave respondent thirty days to replace the terminated endorsement and pay the \$50 late fee due under Regulation No. 67-03(c) or face revocation of Certificate No. 1371.

Respondent paid the late fee on October 21, 2009, and submitted a \$5 million primary WMATC Insurance Endorsement on October 16, 2009, but the effective date of the new endorsement is October 16, 2009, instead of October 4, 2009.

II. ORDER TO LIFT SUSPENSION AND CONTINUE INVESTIGATION

Regulation No. 58-14 provides that:

¹ Compact, tit. II, art. XI, § 6(a).

² Compact, tit. II, art. XI, § 7(g).

If a carrier's operating authority is suspended under Regulation No. 58-12 and the effective date of a later-filed replacement Endorsement falls after the automatic suspension date, the carrier must verify timely cessation of operations in accordance with Commission Rule No. 28 and corroborate the verification with client statements and/or copies of pertinent business records, as directed by Commission order.

In accordance with Regulation No. 58-14, respondent will be directed to submit a statement verifying cessation of operations as of October 4, 2009. The statement shall be corroborated by copies of respondent's pertinent business records.

Inasmuch as respondent has paid the late fee under Regulation No. 67-03(c) and reestablished compliance with Regulation No. 58, we will lift the suspension.³

THEREFORE, IT IS ORDERED:

1. That the suspension of Certificate No. 1371 is lifted as of the date of this order or the effective date of the replacement endorsement, whichever is later.

2. That within thirty days from the date of this order, respondent shall submit an affidavit stating whether respondent operated during the period beginning October 4, 2009, and ending on the date of this order or the effective date of the replacement endorsement, whichever is later.

3. That within thirty days from the date of this order, respondent shall produce any and all books, papers, correspondence, memoranda, contracts, agreements, and other records and documents, including any and all stored electronically, that are within respondent's possession, custody or control and which relate to the transportation of passengers for hire between points in the Metropolitan District during the period beginning, August 1, 2009, and ending on the date of this order, including, but not limited to any and all:

- a. customer contracts and invoices;
- b. calendars and itineraries; and
- c. bank and credit card statements.
