Application of PURSUIT OF HAPPINESS) Case No. AP-2009-102
TRANSPORTATION LLC for a)
Certificate of Authority --)
Irregular Route Operations)

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

Applicant's president, Brenda Faye Snowden, was granted operating authority earlier this year, but the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents and passing a vehicle inspection conducted by Commission staff.¹ Ms. Snowden failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval.²

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with three vans. Applicant proposes operating under a tariff containing rates for Medicaid transportation, rates for private pay ambulatory/wheelchair transportation, and rates for transportation under contracts with private entities.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1597 shall be issued to Pursuit of Happiness Transportation LLC, 1928 Rochelle Avenue, #1233, District Heights, MD 20747-1429.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
