Case No. AP-2010-088

This matter is before the Commission on applicant's request for reconsideration of the voiding of authority conditionally granted in Commission Order No. 12,333, served September 7, 2010. The order directed applicant to present its vehicle(s) for inspection and file certain documents within the 180-day maximum permitted by Commission Regulation No. 66. The order stipulated that the grant of authority would be void and the application would stand denied upon applicant's failure to timely satisfy those conditions. Applicant did not fully satisfy the conditions of the grant within the allotted time. The conditional grant consequently became void on March 8, 2011.

Under Article XIII, Section 4(a), applicant had until April 7, 2011, to file an application for reconsideration.¹ Applicant timely filed an application for reconsideration on April 7, 2011, but the application does not allege any error on the part of the Commission as required by statute.² The application therefore is denied. But because applicant fully satisfied the conditions of the grant by the April 7, 2011, deadline for seeking reconsideration, the Commission may reopen this proceeding and issue applicant's authority.³

THEREFORE, IT IS ORDERED that Certificate of Authority No. 1736 shall be issued to Concierge Executive Shuttles, Inc., 1300 Mercantile Lane, #139, Largo, MD, 20774.
