Case No. AP-2011-100

By application accepted for filing August 5, 2011, applicant, Aymiro LLC, a Virginia limited liability company, seeks Commission approval to acquire Certificate No. 1453 from Aymiro LLC, a District of Columbia limited liability company. Both entities are controlled by Yonas Kebede. The application is unopposed.

Under Article XI, Section 11(a), of the Compact, a person may not transfer a certificate of authority unless the Commission approves the transfer as consistent with the public interest. The public interest analysis focuses on the acquiring party's fitness.¹

Applicant proposes commencing operations with two vans. Applicant proposes operating under a tariff containing rates for Medicaid transportation.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds applicant to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements and, therefore, that the transfer of Certificate No. 1453 to applicant is consistent with the public interest.
