Operations )

Applicant, a District of Columbia limited liability company, seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

Applicant's president, Adil Malihi, previously served as president of Rendez-Vous Limousine, LLC, a Virginia limited liability company, (Rendez-Vous I). Rendez-Vous I was granted operating authority in 2010, but the issuance of a certificate of authority was expressly made contingent on Rendez-Vous I filing additional documents and passing a vehicle inspection conducted by Commission staff.<sup>1</sup> Rendez-Vous I failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval.<sup>2</sup> According to the website of the Virginia State Corporation Commission, the certificate of organization for Rendez-Vous I has been revoked.<sup>3</sup>

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with three sedans, one SUV, and one van. Applicant proposes operating under a tariff containing charter rates, individual and/or group sightseeing rates,

Applicant initially proposed doing business under the trade name, "RDV Limousine." On January 9, 2013, applicant amended its application by requesting to use the trade name "R.D.V. Limousine." The amendment is supported by proof of registration of the new trade name with the District of Columbia Department of Consumer and Regulatory Affairs.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1719 shall be issued to Rendez-Vous Limousine LLC, trading as R.D.V. Limousine, 1425 K Street, N.W., #350, Washington, DC 20005-3514.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
