This matter is before the Commission on applicant's request for an extension of time to comply with Commission Order No. 13,486, served September 21, 2012. The order conditionally granted Certificate of Authority No. 1542 and stipulated that applicant would have the full 180 days available under Commission Regulation No. 66, or until March 20, 2013, under Rule No. 7-01, to satisfy the conditions of the grant. On March 20, 2013, applicant requested an extension of the deadline.

Regulation No. 66-01 states: "Except as provided in Regulation No. 66-02, the time for complying with the conditions of a grant of authority shall not be extended beyond 180 days from the date of the grant. A conditional grant of authority shall be void on the 181st day following the date of the grant if full compliance has not been achieved at that time." Regulation No. 66-02 states: "Upon timely request for an extension of the 180-day deadline in Regulation No. 66-01, the Commission's Executive Director may grant a maximum extension of 31 days." The request having been timely filed, an extension of 31 days shall be granted.

Inasmuch as applicant substantially satisfied the conditions of the grant by the extended deadline of April 22, 2013, Certificate No. 1542 shall be issued.
