Case No. AP-2012-238

This matter is before the Commission on applicant's request for reconsideration of the voiding of authority conditionally granted in Commission Order No. 13,573, served November 13, 2012. The order directed applicant to present its vehicle(s) for inspection and file certain documents within the 180-day maximum permitted by Commission Regulation No. 66. The order stipulated that the grant of authority would be void and that the application would stand denied upon applicant's failure to timely satisfy those conditions. Applicant did not fully satisfy the conditions of the grant within the allotted time. The conditional grant consequently became void on May 14, 2013.

Under Rule No. 27-06, the voiding of a conditional grant of authority pursuant to Regulation No. 66 is subject to reconsideration and deemed to occur on the 181st day following issuance of the conditional grant. In the event a conditional grant of authority becomes void under Regulation No. 66, the Commission's Executive Director may reopen the proceeding under Rule No. 26-05 and issue said authority if the applicant timely files an application for reconsideration and satisfies the conditions of issuance on or before the deadline for requesting reconsideration.

The deadline for requesting reconsideration in this proceeding was June 13, 2013. Applicant timely filed a request for reconsideration on June 12, 2013, and had substantially satisfied the conditions of the grant at that time.

THEREFORE, IT IS ORDERED that this proceeding is reopened, and Certificate of Authority No. 2071 shall be issued to Prestige Line LLC, trading as Prestige Limo, 5746 Union Mill Road, #135, Clifton, VA, 20124-1088.
