

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

SILVER SPRING, MARYLAND

ORDER NO. 14,032

IN THE MATTER OF:

Served June 24, 2013

Application of CORPORATE)
TRANSPORTATION SERVICES, LLC,) Case No. AP-2013-175
Trading as CTS, for Restrictive)
Amendment of Certificate of)
Authority No. 868)

The Commission issued Order No. 14,010 on June 18, 2013, conditionally approving this application to add a 15-person seating capacity restriction to Certificate of Authority No. 868. It now appears that Certificate No. 868 already contains a 15-person seating capacity restriction.

Commission records show that Certificate No. 868 was issued with a 15-person seating capacity restriction on March 24, 2004, pursuant to WMATC Order No. 7612.¹ There is nothing in Commission records to indicate removal of that restriction anytime thereafter.

We also note that although applicant contends that it has removed a 25-passenger bus from its fleet, no such vehicle appears on applicant's FY2013 annual report filed in January of this year. On the other hand, a 24-passenger vehicle does appear on applicant's FY2012 annual report filed in January 2012, which escaped staff's attention until now.

Under the circumstances, it appears that Order No. 14,010 was issued in error. Order No. 14,010 shall accordingly be rescinded and the approval vacated as a legal nullity.²

IT IS SO ORDERED.
