ORDER NO. 14,364

IN THE MATTER OF:

Served November 26, 2013

CHIEF LIMOS LLC, Suspension and)
Investigation of Revocation of)
Certificate No. 2048)

Case No. MP-2013-130

This matter is before the Commission on respondent's response to Order No. 14,276, served October 15, 2013.

I. BACKGROUND

Under the Compact, a WMATC carrier may not engage in transportation subject to the Compact if the carrier's certificate of authority is not "in force."¹ A certificate of authority is not valid unless the holder is in compliance with the Commission's insurance requirements.²

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 2048 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

Certificate No. 2048 was rendered invalid on October 12, 2013, when the \$1.5 million primary WMATC Insurance Endorsement on file for respondent terminated without replacement. A new endorsement had been submitted on October 11, 2013, but it did not become effective until October 18, 2013. In the meantime, Order No. 14,276 noted the automatic suspension of Certificate No. 2048 pursuant to Regulation No. 58-12, directed respondent to cease transporting passengers for hire under Certificate No. 2048, and gave respondent thirty days to replace the terminated endorsement and pay the \$100 late fee due under Regulation No. 67-03(c) or face revocation of Certificate No. 2048.

As noted above, the new endorsement became effective October 18, 2013, and respondent paid the late fee on November 25, 2013.

II. ORDER TO LIFT SUSPENSION AND CONTINUE INVESTIGATION

Under Regulation No. 58-14:

¹ Compact, tit. II, art. XI, § 6(a).

² Compact, tit. II, art. XI, § 7(g).

If a carrier's operating authority is suspended under Regulation No. 58-12 and the effective date of a later-filed replacement Endorsement falls after the automatic suspension date, the carrier must verify timely cessation of operations in accordance with Commission Rule No. 28 and corroborate the verification with client statements and/or copies of pertinent business records, as directed by Commission order.

In accordance with Regulation No. 58-14, respondent will be directed to submit a statement verifying cessation of operations as of October 12, 2013. The statement shall be corroborated by copies of respondent's pertinent business records.

Inasmuch as respondent has filed the necessary replacement Endorsement(s) and paid the late fee under Regulation No. 67-03(c), we will lift the suspension in accordance with Regulation No. 58-13.

THEREFORE, IT IS ORDERED:

1. That the suspension of Certificate No. 2048 is hereby lifted.

2. That within 30 days from the date of this order, respondent shall verify it ceased all operations in the Metropolitan District as of October 12, 2013.

3. That within 30 days from the date of this order, respondent shall produce any and all books, papers, correspondence, memoranda, contracts, agreements, and other records and documents, including any and all stored electronically, that are within respondent's possession, custody or control and which relate to the transportation of passengers for hire between points in the Metropolitan District during the period beginning August 1, 2013 and ending on the date of this order, including, but not limited to any and all:

- a. customer contracts and invoices;
- b. calendars and itineraries;
- c. bank and credit card statements.
