This matter is before the Commission on applicant's request for reconsideration of the voiding of authority conditionally granted in Commission Order No. 14,222, served September 30, 2013. The order directed applicant to present its vehicle(s) for inspection and file certain documents within the 180-day maximum permitted by Commission Regulation No. 66. In the event a conditional grant of authority becomes void under Regulation No. 66, the Commission's Executive Director may reopen the proceeding under Rule No. 26-05 and issue said authority if the applicant timely files an application for reconsideration and satisfies the conditions of issuance on or before the deadline for requesting reconsideration.

The deadline for requesting reconsideration in this proceeding is May 1, 2014. Applicant timely filed a request for reconsideration on April 21, 2014, and has substantially satisfied the conditions of the grant.
