Case No. MP-2014-127

This matter is before the Commission on the response of respondent to Order No. 15,163, served October 28, 2014, revoking Certificate No. 2484 pursuant to Article XI, Section 10(c), of the Compact for respondent's willful failure to maintain on file with the Commission proof of \$1.5 million in combined-single-limit, motor vehicle liability insurance as required by Commission Regulation No. 58 and willful failure to pay a \$100 late fee under Regulation No. 67-03(c).

Respondent filed the necessary WMATC Insurance Endorsement on November 7, 2014, and tendered payment of the late fee and an application for reconsideration of Order No. 15,163 on November 10, 2014.

I. REINSTATEMENT

Under Title II of the Compact, Article XIII, Section 4(a), and Commission Rule No. 27, an application for reconsideration of a Commission order must be filed within 30 days of its publication and state specifically the errors claimed as grounds for reconsideration. The instant application was timely filed, but it does not allege any error on the part of the Commission. The application therefore is denied.

However, considering that within the 30-day application period respondent paid the late fee and filed the necessary WMATC Endorsement(s), we will reopen this proceeding on our own initiative under Commission Rule No. 26-04 and reinstate Certificate No. 2484.¹

In accordance with Regulation No. 58-14, respondent is directed to submit a statement verifying cessation of operations as of August 17, 2014. The statement shall be corroborated by copies of respondent's pertinent business records
