seating capacity of less than 16 persons only, including the driver. The application is unopposed.

Applicant owned Anuriz Limo Services LLC when he filed an application on its behalf in 2014. The application was approved August 15, 2014. The issuance of authority was made contingent on Anuriz Limo Services filing additional documents and passing a vehicle inspection within 180 days.⁵ Anuriz Limo Services failed to satisfy those conditions within the time allotted, thereby voiding the Commission's approval.⁶ Anuriz Limo Services has since been dissolved.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

In closing, we note that applicant shares office space with Akram Ibrahim Bushra, WMATC Carrier No. 2829. Applicant is admonished to keep its assets, books, finances, and operations separate from those of Mr. Bushra. Sharing of office space will be allowed, but this should not be construed as permission to share vehicles or operating authority.⁷
