This matter is before the Commission on applicant's request for reconsideration of the voiding of authority conditionally granted in Commission Order No. 15,929, served October 28, 2015. The order directed applicant to present its vehicle(s) for inspection and file certain documents within the 180-day maximum permitted by Commission Regulation No. 66. The order stipulated that the grant of authority would be void and that the application would stand denied upon applicant's failure to timely satisfy those conditions. In the event a conditional grant of authority becomes void under Regulation No. 66, the Commission's Executive Director may reopen the proceeding under Rule No. 26-05 and issue said authority if the applicant timely files an application for reconsideration and satisfies the conditions of issuance on or before the deadline for requesting reconsideration.

The deadline for requesting reconsideration in this proceeding was May 26, 2016. Applicant timely filed a request for reconsideration on April 28, 2016, and has substantially satisfied the conditions of the grant.
