

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

SILVER SPRING, MARYLAND

ORDER NO. 16,459

IN THE MATTER OF:

Served July 8, 2016

Application of SYMBRAL FOUNDATION) Case No. AP-2016-104
FOR COMMUNITY SERVICES INC for a)
Certificate of Authority --)
Irregular Route Operations)

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

This is the fifth application filed by this applicant. The first application was approved in 2005, but the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents and passing a vehicle inspection conducted by Commission staff.¹ Applicant failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval.²

The second application was approved in 2013. Once again, the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents and passing a vehicle inspection conducted by Commission staff,³ and once again, applicant failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval for a second time.⁴

The third application was approved in 2014. Once again, the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents and passing a vehicle

¹ See *In re Symbral Found. for Cmty. Servs., Inc.*, No. AP-05-015, Order No. 8709 (May 10, 2005) (conditionally granting Certificate No. 1060).

² See *id.* (grant of authority void upon applicant's failure to timely satisfy conditions of issuance); Commission Regulation No. 66-01 (failure to comply with conditions of grant within 180 days voids approval).

³ See *In re Symbral Found. for Cmty. Servs., Inc.*, No. AP-13-354, Order No. 14,380 (Nov. 29, 2013) (conditionally granting Certificate No. 1060).

⁴ See *id.* (grant of authority void upon applicant's failure to timely satisfy conditions of issuance); Commission Regulation No. 66-01 (failure to comply with conditions of grant within 180 days voids approval).

inspection conducted by Commission staff,⁵ and once again, applicant failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval for a third time.⁶

The fourth application was rejected in 2015 as barred by operation of Regulation No. 66-01 which provides: "An applicant which has three successive conditional grants voided under this regulation shall be barred from reapplying for a period of one year as measured from the end of the third 180-day period." The one-year bar ended April 1, 2016. This application was submitted on June 1, 2016, and thus is not barred by Regulation No. 66-01.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

In closing, it is noted that in the event applicant fails to successfully obtain a certificate of authority in this proceeding the one-year bar in Regulation No. 66-01 would apply again.

⁵ See *In re Symbral Found. for Cmty. Servs., Inc.*, No. AP-14-266, Order No. 15,088 (Oct. 1, 2014) (conditionally granting Certificate No. 1060).

⁶ See *id.* (grant of authority void upon applicant's failure to timely satisfy conditions of issuance); Commission Regulation No. 66-01 (failure to comply with conditions of grant within 180 days voids approval).

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1060 shall be issued to Symbal Foundation For Community Services Inc, 521 Kennedy Street, N.E., Washington, DC 20011-6214.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
