This matter is before the Commission on applicant's request for reconsideration of the voiding of authority conditionally granted in Commission Order No. 16,438, served June 20, 2016. The order directed applicant to present its vehicle(s) for inspection and file certain documents within the 180-day maximum permitted by Commission Regulation No. 66. The order stipulated that the grant of authority would be void and that the application would stand denied upon applicant's failure to timely satisfy those conditions.
