

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. ~~2177~~ 2178

IN THE MATTER OF:

Served December 16, 1980

Application of WHITE HOUSE )  
SIGHTSEEING CORPORATION for )  
Authority to Increase Rates )

Case No. AP-80-28

By Order Nos. 2157 and 2175, served October 29 and December 8, 1980, White House Sightseeing Corporation was directed to file certain materials in support of the above-styled application no later than December 15, 1980. On that date, applicant filed a motion seeking an extension of two weeks in which to comply.

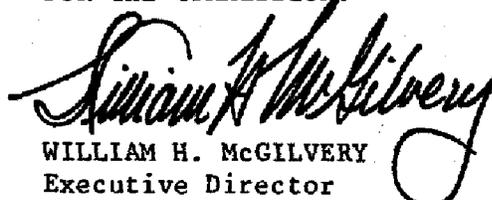

In support of the motion it is stated that applicant had prepared and tendered, on the due date, documents believed to comply with the mandates of the above-referenced orders. Upon inspection by the staff of the Commission, it was found that the documents were insufficient. So that the running of its suspension period may be tolled during the extension period, applicant also asks that the current 90-day suspension period be extended without prejudice to the Commission's right pursuant to Title II, Article XII, Section 6(a)(2) of the Compact to extend that suspension for an additional 30 days.

For good cause shown, the motion shall be granted.

THEREFORE, IT IS ORDERED:

1. That December 29, 1980, is hereby set as the date on or before which compliance must be made with the filing requirements of said Order Nos. 2157 and 2175.
2. That the 90-day suspension period established by Order No. 2157 is hereby extended through February 13, 1981, unless otherwise ordered by the Commission.

FOR THE COMMISSION:

  
WILLIAM H. MCGILVERY  
Executive Director
