Case No. CP-81-05

By Order No. 2197, served February 25, 1981, Creative Travel, Inc., was ordered, among other things, to produce evidence that the company is qualified to do business as a foreign corporation in Maryland. This evidence was originally due on March 12, 1981. Applicant was granted a three-week extension of time to submit the required evidence because of delays in receiving a certificate of good standing in Delaware, the state of incorporation.

Upon attempting to register as a foreign corporation doing business in Maryland, applicant was apprised of the fact that an existing corporation with a similar name was already registered and that it would have to change the name of the company. The company has advised that it plans to change its name to Creative Travel of America, Inc., and needs an additional 20 days for completion of that process. For good cause shown, a new compliance date for filing supplemental material will be established.

THEREFORE, IT IS ORDERED that supplemental materials required to be filed in Case No. CP-81-05 will be due on Wednesday, April 22, 1981, and that in all other respects, Order No. 2197 remains in full force and effect.

FOR THE COMMISSION:
