IN THE MATTER OF:

Served August 16, 1982

IRONSIDES MEDICAL TRANSPORTATION)
CORP., Investigation and Revocation)
of Certificate No. 31)

Case No. MP-82-10

The Compact, Title II, Article XII, Section 9(a) mandates that no certificate of public convenience and necessity issued under Section 4 of said Article ". . . shall remain in force unless the person . . . holding such certificate complies with such reasonable regulations as the Commission shall prescribe governing the filing and approval of surety bonds, policies of insurance, [and] qualifications as a self-insurer . . . in such reasonable amount as the Commission may require . . ." See also Commission Regulation No. 62, as amended by Order No. 1598, served August 25, 1976.

The certificate of insurance on file for Ironsides Medical Transportation Corp. shows a policy expiration date of August 15, 1982. On July 15, 1982, the Commission advised Ironsides by letter that an appropriate certificate evidencing new insurance must be filed on or before the above-specified expiration date. No such certificate of insurance has been filed. Accordingly, Ironsides is in violation of Title II, Article XII, Section 9(a) of the Compact and Commission Regulation No. 62.

THEREFORE, IT IS ORDERED:

1. That the above-captioned proceeding is instituted pursuant to Title II, Article XII, Section 4(g) of the Compact for the purpose of determining whether Certificate of Public Convenience and Necessity No. 31 of Ironsides Medical Transportation Corp. shall be revoked.
2. That Ironsides Medical Transportation Corp. is made a party respondent to the above-captioned proceeding.
3. That respondent is directed, within 30 days from the date of service hereof, fully to comply with the provisions of the Compact, Title II, Article XII, Section 9(a) and Commission Regulation No. 62, and is further directed within the same 30 days to file with the Commission an appropriate certificate of insurance or such other

evidence, in writing and under oath, as it may deem pertinent to show good cause why its Certificate of Public Convenience and Necessity No. 31 should not be revoked.

4. That Certificate of Public Convenience and Necessity No. 31 issued to Ironsides Medical Transportation Corp. is suspended until further order of the Commission, and respondent is directed to cease and desist from transportation subject to the Compact, until further order of the Commission.
