Case No. AP-88-26

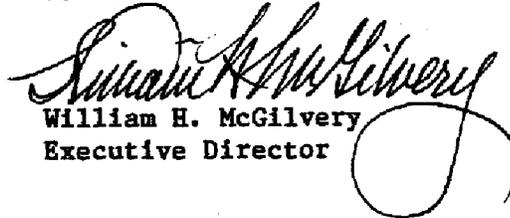

By motion filed November 21, 1988, Madhu Sudan requests that the time for complying with the requirements of Order No. 3240, served October 24, 1988, and, incorporated herein by reference, be extended from November 23, 1988, until January 23, 1989.

Order No. 3240 required the filing of the following: (1) two copies of revised Tariff No. 1; (2) an equipment list specifying make, model, serial number, vehicle identification number, and license plate number for each vehicle to be used in WMATC operations; (3) a certificate of insurance; and (4) an affidavit of identification. Madhu Sudan requests the extension of time because of delays experienced in purchasing vehicles that will be used in his WMATC operations.

For good cause shown, the motion to extend compliance time is hereby granted.

IT IS SO ORDERED.
