Case No. AP-89-06

By Order No. 3388, served August 8, 1989, the time for compliance with the requirements of Order No. 3373, served July 11, 1989, was extended through September 11, 1989. On September 11, 1989, applicant filed a motion to further extend the compliance time an additional seven months. Applicant cites health problems, scheduled surgery and recovery time for one of the two partners, stating that the resulting burden on the other partner prevents acquisition of the vehicle needed to complete the requirements of Order No. 3373.

Upon consideration of the motion and for the reasons stated therein, the time for compliance with the requirements of Order No. 3373 is extended through April 11, 1990.

IT IS SO ORDERED.
