

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 3740

IN THE MATTER OF:

Served May 7, 1991

Issuance of Certificate of Authority No. 149 to MERCY AMBULETTE SERVICES, INC.)
)
)

Case No. MP-91-02

Mercy Ambulette Services, Inc., holds Certificate of Public Convenience and Necessity No. 149, issued pursuant to the Compact 1/, Title II, Article XII, Section 4. On February 1, 1991, an amended Compact 2/ became effective. The amended Compact, Title II, Article XI, Section 6 provides:

"6. (a) A person may not engage in transportation subject to this Act unless there is in force a 'Certificate of Authority' issued by the Commission authorizing the person to engage in that transportation.

"(b) On the effective date of this Act a person engaged in transportation subject to this Act under an existing 'Certificate of Public Convenience and Necessity' or order issued by the Commission shall be issued a new 'Certificate of Authority' within 120 days after the effective date of this amendment.

"(c)(i) Pending issuance of the new Certificate of Authority, the continuance of operations shall be permitted under an existing certificate or order issued by the Commission which will continue in effect on the effective date of this Act.

"(ii) The operations described in paragraph (i) of this subsection shall be performed according to the rates, regulations, and practices of the certificate holder on file with the Commission on the effective date of this Act.

The amended Compact, Title II, Article XI, Section 9(b) provides:

A certificate issued by the Commission authorizing irregular-route service shall be coextensive with the Metropolitan District.

1/ Public Law 86-794, 74 Stat. 1031, as amended by Public Law 87-767, 76 Stat. 764.

2/ Id. as amended by Public Law 101-505, 104 Stat. 1300.

Certificate of Public Convenience and Necessity No. 149 issued to Mercy Ambulette Services, Inc., authorizes only irregular route transportation. Accordingly, Mercy Ambulette Services, Inc., is entitled to be issued a Certificate of Authority authorizing irregular route transportation coextensive with the Commission's jurisdiction in the Washington Metropolitan Area Transit District. Certificate of Authority No. 149 supersedes Certificate of Public Convenience and Necessity No. 149.

Evidence of insurance on file with the Commission covering the operations of Mercy Ambulette Services, Inc., shows coverage only in the amount required for vehicles with a manufacturer's designed seating capacity of 15 persons or fewer, including the driver. Therefore, Certificate of Authority No. 149 will be so restricted. Such restriction is without prejudice to the right of Mercy Ambulette Services, Inc., to file an appropriate application to have the restriction removed upon the filing of proper evidence of insurance covering the operation of larger vehicles.

The certificate of insurance on file with the Commission covering the operations of Mercy Ambulette Services, Inc., is currently acceptable for the restricted operations authorized by Certificate of Public Convenience and Necessity No. 149. However, the coverage afforded by that certificate of insurance is not adequate for operations authorized by Certificate of Authority No. 149. The certificate of insurance on file for Mercy Ambulette Services, Inc., expires 12:01 a.m. on Wednesday, May 22, 1991. Accordingly, Mercy Ambulette Services, Inc., will be directed to file a new certificate of insurance in accordance with Order No. 3623, served March 8, 1991, and Commission Regulation 58 no later than Tuesday, May 21, 1991. Failure timely to file the required evidence of insurance will result in simultaneous issuance and suspension of Certificate of Authority No. 149 on Wednesday, May 22, 1991, and the carrier will not be authorized to conduct operations.

THEREFORE, IT IS ORDERED:

1. That Certificate of Authority No. 149 is hereby issued to Mercy Ambulette Services, Inc., to become effective Wednesday, May 22, 1991, as appended to this order.
2. That Certificate of Authority No. 149 encompasses and supersedes Certificate of Public Convenience and Necessity No. 149, and Certificate of Public Convenience and Necessity No. 149 is cancelled effective Wednesday, May 22, 1991.

3. That unless Mercy Ambulette Services, Inc., timely complies with the requirement of Commission Regulation 58 and Order No. 3623 prior to Wednesday, May 22, 1991, Certificate of Authority No. 149 will stand suspended in its entirety effective Wednesday, May 22, 1991.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS WORTHY, SCHIFTER, AND SHANNON:

William H. McGilvery
Executive Director
