IN THE MATTER OF:

Served September 4, 1991

Application of BOSTON COACH -)
WASHINGTON CORP., Trading as)
BOSTON COACH for a Certificate of)
Authority -- Irregular Route)
Operations)

Case No. AP-91-20

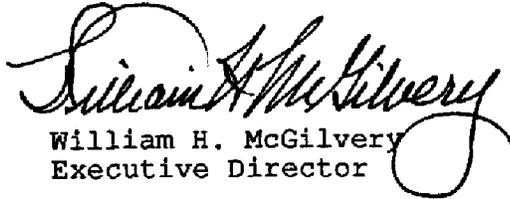

By Order No. 3800, served August 6, 1991, Boston Coach - Washington Corp. was conditionally granted a Certificate of Authority, contingent upon compliance with the requirements of Order No. 3800 by September 5, 1991.

By request filed August 29, 1991, applicant seeks an extension of time for compliance. Certain of the requirements of Order No. 3800 have to do with transportation equipment which, at the time of the request, had not been delivered to applicant. Without having the equipment, applicant cannot comply.

Upon consideration of the request and the reasons therefor, the time for compliance with the requirements of Order No. 3800 is extended through Tuesday, October 15, 1991.

IT IS SO ORDERED.

FOR THE COMMISSION:

William H. McGilvery
Executive Director
