Case No. AP-93-17

By application filed May 12, 1993, Fun Travel Service, Inc. (Fun Travel or applicant), a Maryland corporation, seeks a certificate of authority to transport passengers, together with baggage in the same vehicles as passengers, in irregular route operations between points in the Metropolitan District.

Notice of this application was served on May 17, 1993, in Order No. 4101, and Fun Travel was directed to publish further notice in a newspaper and file an affidavit of publication. Fun Travel complied. The application is unopposed.

SUMMARY OF EVIDENCE

Fun Travel's application includes information regarding, among other things, its corporate status, equipment, facilities, safety fitness, proposed tariff, finances, and regulatory compliance record.

Fun Travel proposes to commence operations with two 47-passenger coaches. Applicant's proposed tariff contains an hourly charter rate.

Fun Travel's vice president certifies on its behalf that applicant has access to, is familiar with, and will comply with the Compact, the Commission's rules and regulations, and United States Department of Transportation regulations relating to transportation of passengers for hire.

Applicant filed a balance sheet as of March 31, 1993, showing current assets of \$100,000; net fixed assets of \$73,525; long-term liabilities of \$67,360; and equity of \$106,165. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC operating income of \$40,000; other operating income of \$120,000; operating expenses of \$58,005; and net income of \$101,995.

It is certified that neither Fun Travel nor any person controlling, controlled by, or under common control with Fun Travel has any control relationship with a carrier other than Fun Travel.

DISCUSSION AND CONCLUSION

This case is governed by the Compact, Title II, Article XI, Section 7(a), which provides in relevant part that:
