

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 4614

IN THE MATTER OF:

Served June 20, 1995

METRO MEDICAB, INC., Suspension)
and Investigation of Revocation)
of Certificate No. 46)

Case No. MP-95-67

This investigation was initiated on June 19, 1995, in Order No. 4613, for failure to timely file a certificate of insurance. It now appears that the certificate of insurance was timely received at the Commission's office on June 16, 1995, but did not reach the insurance file of Metro Medicab, Inc., until June 20, 1995. Therefore, no automatic suspension of respondent's Certificate No. 46 occurred because respondent was not in violation of Article XI, Section 7(g), of the Compact and Commission Regulation No. 58. Accordingly, Order No. 4613 is hereby vacated, terminating this investigation.

IT IS SO ORDERED.

FOR THE COMMISSION:

William H. McGilvery
Executive Director
