ORDER NO. 4631

IN THE MATTER OF:

Served July 11, 1995

Application of OLANDERS CLARK, )  
Trading as CLOUD NINE COACHWAYS, )  
for a Certificate of Authority -- )  
Irregular Route Operations )

Case No. AP-95-34

By application filed July 6, 1995, Olanders Clark, trading as Cloud Nine Coachways, a sole proprietor, seeks a certificate of authority for irregular route operations in the Metropolitan District.

Applicant proposes commencing operations with one 47-passenger motorcoach. Applicant's proposed tariff contains an hourly rate for group charter service.

Applicant's balance sheet, Exhibit E, shows a \$201,000 note payable in connection with applicant's revenue vehicle even though applicant's income statement shows that applicant leases the vehicle from a third party. Applicant will be directed to file an amended Exhibit E which either omits the \$201,000 note payable or shows capitalized lease expense as an offsetting asset.

Applicant's financial statements show current income from non-WMATC operations but no projected income from non-WMATC operations. Applicant will be directed to file either an amended Exhibit G showing income from non-WMATC operations or a statement expressly affirming that applicant does not anticipate income from non-WMATC operations.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:

1. That applicant shall publish once in a newspaper of general circulation in the Metropolitan District, no later than July 21, 1995, notice in the form prescribed by the staff of the Commission.

2. That applicant shall file with the Commission, no later than August 11, 1995, an original and four copies of an affidavit that notice has been published as required in the preceding paragraph.

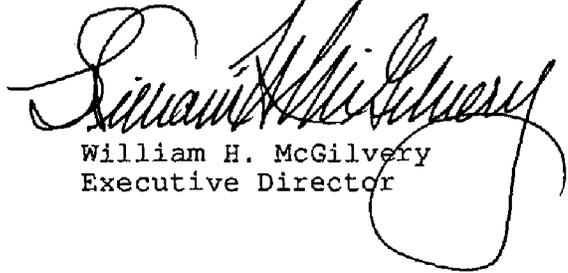

3. That applicant shall file with the Commission, no later than July 21, 1995, an original and four copies of an amended Exhibit E which either omits the \$201,000 note payable or shows capitalized lease expense as an offsetting asset.

4. That applicant shall file with the Commission, no later than July 21, 1995, an original and four copies of either an amended Exhibit G showing income from non-WMATC operations or a statement

expressly affirming that applicant does not anticipate income from non-WMATC operations.

5. That the deadline for filing protests, comments, applications for intervention, and requests for formal hearing, is August 11, 1995, and that copies must be served on applicant at 7604 Flam Ct., Ft. Washington, MD 20744.
