Served June 26, 1996

SAFE TRANSPORTATION, INC. --)
Investigation of Violation of the)
Compact, Article XI, Section 5(a),)
and Regulation No. 62)

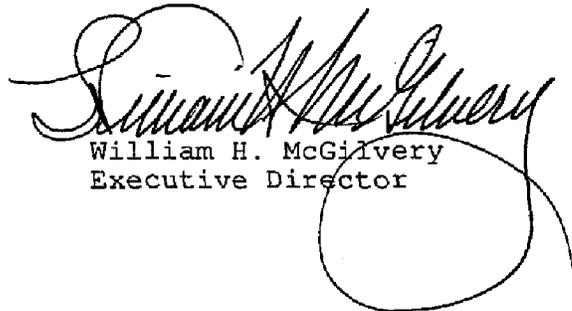

Case No. MP-96-15

In Order No. 4849, served May 17, 1996, respondent was directed to cease and desist from transporting passengers in the Metropolitan District in two vehicles which had failed inspection by Commission staff. Respondent was further directed to present the vehicles for reinspection on or before May 31. If the vehicles failed to pass inspection within that time period respondent's operating authority would be suspended.

One of the vehicles passed inspection on May 29, 1996. The other was involved in an accident on May 27, 1996, while parked and could not be presented for inspection. The deadline for inspection of the damaged vehicle shall be extended sixty days.

THEREFORE, IT IS ORDERED that respondent is hereby directed to comply with the requirements of Order No. 4849 on or before July 30, 1996.
