

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 5305

IN THE MATTER OF:

Served April 6, 1998

Application of EXECUTIVE COACH,)
LTD., for Restrictive Amendment of)
Certificate of Authority No. 177)

Case No. AP-98-17

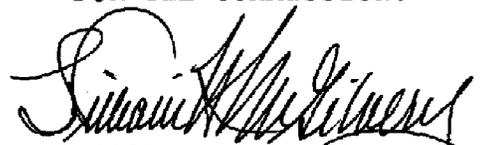

By application filed April 3, 1998, Executive Coach, Ltd., seeks to amend Certificate of Authority No. 177, which authorizes transportation of passengers in irregular route operations between points in the Metropolitan District without regard to vehicle seating capacity. Applicant proposes adding a seating capacity restriction so that Certificate No. 177 would authorize transportation only in vehicles with a seating capacity of less than 16 persons, including the driver.

Under Article XI, Section 10(b), of the Compact, the Commission may amend a certificate of authority upon application by the holder. The application in the instant case, however, is incomplete. The shareholders' respective holdings have been omitted from Exhibit A, and a copy of Certificate No. 177 has been filed as Exhibit K instead of the original. A proposed tariff and vehicle list, although not required by the application form, will provide for a full and fair examination of the application.¹ Applicant, therefore, will be directed to produce these documents.

THEREFORE, IT IS ORDERED that applicant shall file with the Commission, no later than April 13, 1998, an original and four copies of the following:

1. an amended Exhibit A showing the respective holdings of applicant's shareholders;
2. the original Certificate No. 177;
3. a proposed tariff; and
4. a list of revenue vehicles.

FOR THE COMMISSION:

William H. McGilvery
Executive Director
