Case No. MP-98-51

On September 14, 1998, the Commission received replacement certificates of insurance for Unimax Transport, Inc., Carrier No. 380. The certificates list a street address for Unimax that is not reflected in the Commission's records. Staff's follow-up inquiries reveal that Unimax had stored vehicles at that address at one time but no longer.

Under Regulation No. 58-09, the Commission may, upon thirty (30) days' notice, revoke its approval of any certificate of insurance if, in the judgment of the Commission, such security does not comply with the Commission's regulations or for any reason fails to provide satisfactory or adequate protection for the public. Accordingly, we will revoke respondent's certificates of insurance, effective thirty days after the date of this order. Respondent shall have until then to file newly executed certificates of insurance.

THEREFORE, IT IS ORDERED:

1. That respondent's certificates of insurance are hereby revoked, effective thirty days after the date of this order.
2. That respondent shall have thirty days from the date this order is issued to file newly executed certificates of insurance.
3. That unless respondent complies with the requirements of this order within the time allowed, Certificate of Authority No. 380 shall be invalid and stand automatically suspended pursuant to Article XI, Section 7(g), of the Compact and Commission Regulation No. 58-02 and shall be subject to immediate revocation without further proceedings.
4. That respondent may file within fifteen days from the date of this order a request for oral hearing, indicating the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
