Case No. MP-98-52

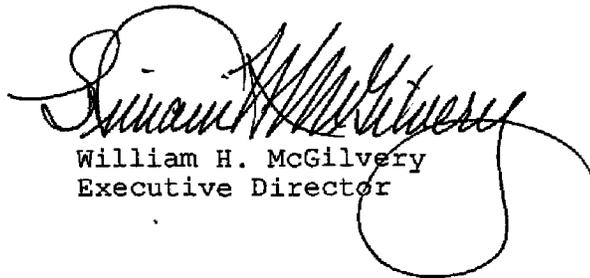

Respondent's certificate of insurance was revoked on September 23, 1998, in Order No. 5413, effective October 23, 1998. The order gave respondent thirty days to file a "newly executed certificate of insurance signed by the insurer." Respondent did not comply, triggering the invalidation and automatic suspension of its certificate of authority under Article XI, Section 7(g), of the Compact and Regulation No. 58-02 -- as of 12:01 a.m., October 23, 1998.

Respondent eventually filed the necessary certificate of insurance on November 2, 1998. Respondent now requests an extension of the filing deadline from October 23 to November 2.

The request shall be granted, and the suspension of respondent's operating authority shall be lifted as of today. Extending the filing period does not, however, negate the suspension period, which runs from October 23 to the date of this order.
