Case No. MP-99-11

On January 22, 1999, London American General Agency, Inc., filed a WMATC Certificate of Insurance and Policy Endorsement (London-American policy endorsement) on behalf of WMATC Carrier No. 392, Best Transportation Services, Incorporated, trading as BTS Airport Express. The London-American policy endorsement identifies National Casualty Company as the insurer, lists the policy number as CAOL02730, and extends \$1.5 million in liability coverage to any vehicle operated by the insured, whether or not the vehicle is described in the policy.

On January 26, 1999, and again on February 1, 1999, Martens Johnson Insurance Agency also filed a certificate of insurance on behalf of WMATC Carrier No. 392 (Martens-Johnson insurance certificate) that also identifies National Casualty Company as the insurer and also lists the policy number as CAOL02730. Unlike the London-American policy endorsement, however, the Martens-Johnson insurance certificate, identifies "Vicky L. Best" as the insured. And unlike the London-American policy endorsement, the Martens-Johnson insurance certificate states that liability coverage under the policy is limited to \$300,000 and only applies to scheduled vehicles.

Under Regulation No. 58-09, the Commission may, upon thirty (30) days' notice, revoke its approval of any WMATC Certificate of Insurance and Policy Endorsement if, in the judgment of the Commission, such security does not comply with the Commission's regulations or for any reason fails to provide satisfactory or adequate protection for the public. Accordingly, we will revoke respondent's WMATC Certificate of Insurance and Policy Endorsement, effective thirty days after the date of this order. Respondent shall have until then to file a newly executed WMATC Certificate of Insurance and Policy Endorsement, plus evidence that the underlying insurance policy has been issued in the name of Best Transportation Services, Incorporated, trading as BTS Airport Express, with combined-single-limit liability coverage in the amount of \$1.5 million.

THEREFORE, IT IS ORDERED:

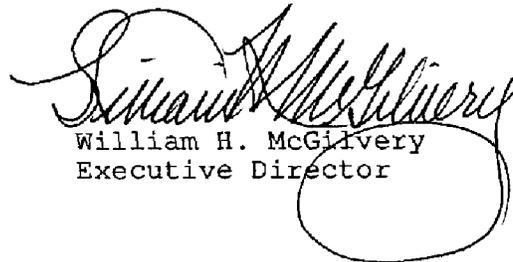

1. That respondent's certificate of insurance is hereby revoked, effective thirty days after the date of this order.
2. That respondent shall have thirty days from the date this order is issued to file a newly executed WMATC Certificate of Insurance

and Policy Endorsement, plus evidence that the underlying insurance policy has been issued in the name of Best Transportation Services, Incorporated, trading as BTS Airport Express, with combined-single-limit liability coverage in the amount of \$1.5 million.

3. That unless respondent complies with the requirements of this order within the time allowed, Certificate of Authority No. 392 shall be invalid and stand automatically suspended pursuant to Article XI, Section 7(g), of the Compact and Commission Regulation No. 58-02 and shall be subject to immediate revocation without further proceedings.

4. That respondent may file within fifteen days from the date of this order a request for oral hearing, indicating the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
