Case No. AP-99-61

Notice of this application was served on September 8, 1999, in Order No. 5694. The order established a protest deadline of October 13 and directed applicant to publish notice in a newspaper of general circulation in the Metropolitan District, no later than September 22, 1999, using text prescribed by Commission staff.

On November 5, applicant filed proof that notice was published in the Washington Post on October 16 and 17. The notice advises the public that protests are due November 13, but otherwise conforms to the text prescribed by staff.

On November 10, applicant filed a request to extend the publication deadline to October 17.

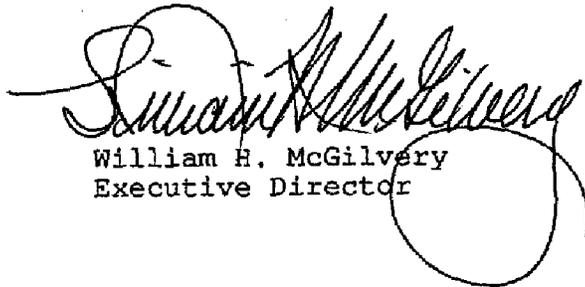

Inasmuch as the notice published on October 16 and 17 provides adequate notice to the public and allows the public approximately one month to file any protests, applicant's request is hereby granted.

THEREFORE, IT IS ORDERED:

1. That the publication deadline specified in Order No. 5694 is hereby extended to October 17, 1999.

2. That the deadline for filing protests, comments, applications for intervention, and requests for formal hearing, is hereby extended to November 13, 1999.
