Case No. MP-2000-14

The Compact, Title II, Article XI, Section 7(f), directs each person holding a certificate of authority to comply with the Commission's insurance regulations. Regulation No. 58-01 provides that evidence of insurance shall be filed in a form approved by the Commission.

Respondent filed a Commission-approved certificate of insurance on May 3, 2000. The address listed for respondent in the certificate, however, did not match respondent's address on file with the Commission. Attempts by Commission staff to obtain a change of address from respondent<sup>1</sup> or a corrected certificate of insurance from the insurance company have been unsuccessful.

Under Regulation No. 58-09, the Commission may, upon thirty (30) days' notice, revoke its approval of any certificate of insurance if, in the judgment of the Commission, such security does not comply with the Commission's regulations or for any reason fails to provide satisfactory or adequate protection for the public. Accordingly, we will revoke respondent's certificate of insurance, effective thirty days after the date of this order.<sup>2</sup>

THEREFORE, IT IS ORDERED:

1. That respondent's certificate of insurance is hereby revoked, effective thirty days after the date of this order.

2. That respondent shall have thirty days from the date this order is issued to file one or more newly executed certificates of insurance establishing to the satisfaction of the Commission the existence of one or more valid insurance policies.

3. 4. That respondent may file within fifteen days from the date of this order a request for oral hearing, indicating the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
