Case No. AP-2000-40

On June 15, 2000, in Order No. 5909, the Commission approved applicant's request to amend Certificate No. 202 by replacing the trade name "Maryland Airport Shuttle" with the trade name "Maryland Transportation." Approval was conditioned on applicant filing certain documents on or before July 15. The order provided that the application would stand denied upon applicant's failure to timely file the necessary documents.

On July 13, applicant requested that the filing deadline be extended to August 15.

On August 25 applicant filed a request to withdraw the application. Applicant explains it now intends to file a new application to amend Certificate No. 202, one which will propose replacing the trade name "Maryland Airport Shuttle" with the trade name "Maryland Shuttle and Sedan," a new trade name recently registered with the Maryland State Department of Assessments and Taxation.

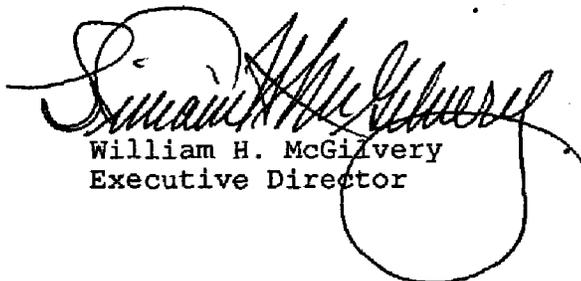

Applicant's request to withdraw shall be granted for good cause shown.

THEREFORE, IT IS ORDERED:

1. That by operation of Order No. 5909, the application stands denied.

2. That in accordance with applicant's request, this proceeding is terminated.
