Case No. AP-2000-86

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with one vehicle. Applicant's proposed tariff contains per capita fares for transportation to and from Ronald Reagan Washington National and Washington-Dulles International Airports.

Applicant filed a statement of net worth as of September 5, 2000, showing assets of \$235,500; liabilities of \$204,813; and net worth of \$30,687. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC revenue of \$30,000; other revenue of \$40,280; expenses of \$64,000; and net income of \$6,280.¹

Applicant certifies she has access to, is familiar with, and will comply with the Compact and the Commission's rules and regulations thereunder.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

¹ This is the second application filed by applicant. The first was denied for failing to demonstrate applicant's ability to sustain operations for one year. In re Betty Emilia Martinez, t/a Panamerica Express Shuttle, No. AP-00-16, Order No. 5877 (May 11, 2000). The current application does not suffer from that defect.

THEREFORE, IT IS ORDERED:

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
