Case No. MP-2001-103

On October 17, 2001, the Commission issued Order No. 6387 initiating an investigation of respondent's operations after one of applicant's vehicles failed an inspection by Commission staff. The order gave respondent thirty days to produce all revenue vehicles for inspection by Commission staff and to show cause why the Commission should not assess a civil forfeiture for knowing and willful violation of Title II of the Compact, Article XI, Section 5(a), which mandates that each WMATC carrier shall provide safe and adequate transportation service, equipment, and facilities, as well as knowing and willful violations of Commission Regulations Nos. 61 and 62 governing vehicle markings and leases, respectively.

On November 16, respondent requested an additional five days in which to respond, citing personal reasons. This is the first request for an extension of the response deadline.

For good cause shown, the request for an additional five days shall be granted.

THEREFORE, IT IS ORDERED, that respondent shall comply with Order No. 6387 on or before November 21, 2001.
