Case No. MP-2001-99

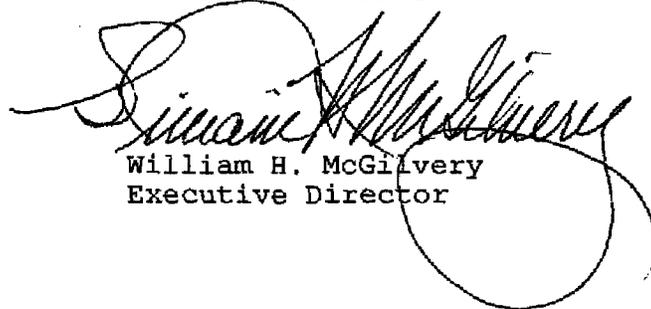

Respondent's certificate of insurance was revoked on October 4, 2001, in Order No. 6378, effective November 3, 2001. Respondent failed to file an acceptable replacement certificate of insurance before November 3, 2001, resulting in the automatic suspension of respondent's certificate of authority pursuant to Article XI, Section 7(g), of Compact and Commission Regulation No. 58-02.

The Commission received a WMATC Certificate of Insurance and Policy Endorsement in respondent's name on October 5, 2001, but it was not acceptable for filing at that time. It was signed by a third party claiming authority to issue the WMATC certificate/endorsement on behalf of the named insurance company, but the insurance company had filed no written authorization with the Commission. An acceptable authorization letter was filed with the Commission on December 17, 2001.

Accordingly, the suspension is lifted, and this proceeding is terminated.

IT IS SO ORDERED.
