Case No. MP-2002-01

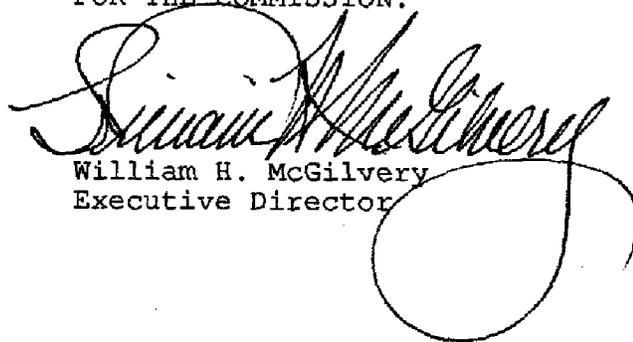

This investigation was initiated on January 2, 2002, in Order No. 6477. The Order directs respondents to produce on or before February 1, 2002, documents relating to their operations in the Metropolitan District since February 25, 2000.

On January 30, 2002, respondent Sidney Purnell filed evidence that respondent Sydney Shuttle, LLC, had been dissolved that same day. On February 1, 2002, Purnell filed a request for an additional forty five days to produce the required documents. This is the first request for an extension of the response deadline.

In consideration of the Order's near two-year scope, the evidence of the LLC's dissolution and the absence of any previous request for extension, for good cause shown, the request for an additional forty five days shall be granted.

THEREFORE, IT IS ORDERED that Sidney Purnell shall comply with Order No. 6477 on or before March 18, 2002.
