

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 7365

IN THE MATTER OF:

Served August 27, 2003

Application of A.M.G.)
TRANSPORTATION, INC., for a)
Certificate of Authority --)
Irregular Route Operations)

Case No. AP-2003-53

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

The application is signed by Aime Martial Gbao in his capacity as applicant's president. On the day he filed this application, Mr. Gbao filed another application on behalf of Multi-Drivers, Inc., purportedly as its vice president. Because Article XII, Section 3, of the Compact requires Commission approval of common control relationships, the Commission directed applicant and Multi-Drivers to each file a statement addressing the effect Commission approval would have on competition and employees. In response, Mr. Gbao now asserts he is "only a[n] employee" of Multi-Drivers. The clear import of Mr. Gbao's response is that he is not an officer of Multi-Drivers after all. Therefore, the issue of common control is moot.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with two sedans. Applicant's proposed tariff contains per capita fares for paratransit service.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed

transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 828 shall be issued to A.M.G. Transportation, Inc., 2009 Georgian Woods Place, #33, Silver Spring, MD 20902.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

3. That applicant is hereby directed to file the following documents within thirty days: (a) evidence of insurance pursuant to Commission Regulation No. 58 and Order No. 4203; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the for-hire vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the registered owner, for each vehicle to be used in revenue operations; (e) proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia; and (f) a notarized affidavit of identification of vehicles pursuant to Commission Regulation No. 61.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS YATES, MILLER AND MCDONALD:

William H. McGilvery
Executive Director
