WASHINGTON, DC

ORDER NO. 7954

IN THE MATTER OF:

Served April 20, 2004

SKYHAWK LOGISTICS, INC., )  
Suspension and Investigation of )  
Revocation of Certificate No. 406 )

Case No. MP-2004-77

This matter is before the Commission on respondent's response to Order No. 7887, served March 22, 2004.

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 406 for a minimum of \$5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

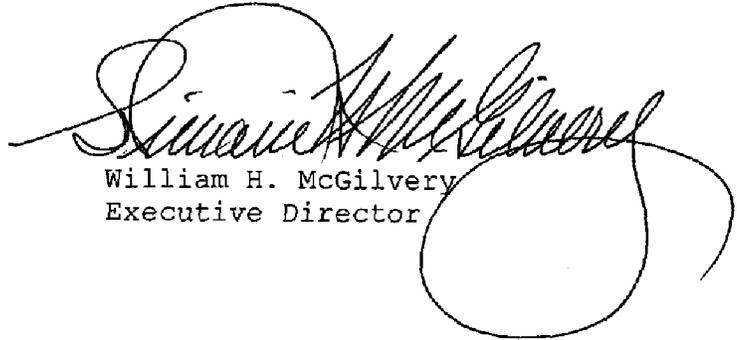

The \$1 million primary and \$4 million excess WMATC Insurance Endorsements on file for respondent terminated without replacement on March 20, 2004. Order No. 7887 noted the automatic suspension of Certificate No. 406 pursuant to Regulation No. 58-02, directed respondent to cease transporting passengers for hire under Certificate No. 406, and gave respondent thirty days to replace the expired endorsements or face revocation of Certificate No. 406.

Respondent submitted a \$1 million primary replacement endorsement on March 23, 2004 and \$4 million excess replacement endorsement on April 8, 2004. The effective date of the new primary endorsement is March 20, 2004, but the effective date of the new excess endorsement is March 24, 2004. This means that respondent was without the minimum required insurance coverage for four days from March 20, 2004, through March 23, 2004.

Under Commission Rule No. 28, respondent is required to verify on or before April 21, 2004, that it has ceased transporting passengers for hire under Certificate No. 406 as commanded by Order No. 7887. We will give respondent thirty days from the date of this order to furnish proof of compliance with Order No. 7887, which proof shall include statements under oath from VGA, Incorporated, and the U.S. Forest Service, as to when respondent ceased performing the Forest Service contract described in respondent's subcontract with VGA, which is on file with the Commission as respondent's Contract Tariff No. CT-1. Such statements also shall indicate who is operating the Forest Service contract in lieu of respondent.

IT IS SO ORDERED.

MCDONALD:
