By application accepted for filing July 13, 2004, applicant, Nova Limousine Service, Inc., a Maryland corporation, seeks Commission approval to acquire Certificate No. 466 from McKinly Williams, trading as Nova Limousine. Williams has agreed to transfer Certificate No. 466 and other assets in exchange for a controlling interest in applicant, a new carrier. The application is unopposed.

Under Article XI, Section 11(a), of the Compact, a person may not transfer a certificate of authority unless the Commission approves the transfer as consistent with the public interest. The public interest analysis focuses on the acquiring party's fitness.¹

Applicant proposes commencing operations with eight sedans, three sport utility vehicles and one van. Applicant's proposed tariff contains hourly rates.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds applicant to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements and, therefore, that the transfer of Certificate No. 466 to applicant is consistent with the public interest.
